Based on actual lies: any resemblance
between any characters in this comic with
real living people is a miracle.

HATERS BE HATERS.
TO ALL YOUSE HATERS OUT
THERE, WE LOVE YA!

BEHIND THE SCENES THE POLICE DECIDE TO TRACK DOWN THESE STUPID FOREIGNERS DRIVING DOWN THE STREET THE WRONG WAY.

THE POLICE GO BACK TO THE POLICE STATION.

THEY CHECK THEIR COMPUTER SYSTEM TO SEE WHO OWNS THE BIKES.

THEN THEY CALL THE BIKE OWNERS.

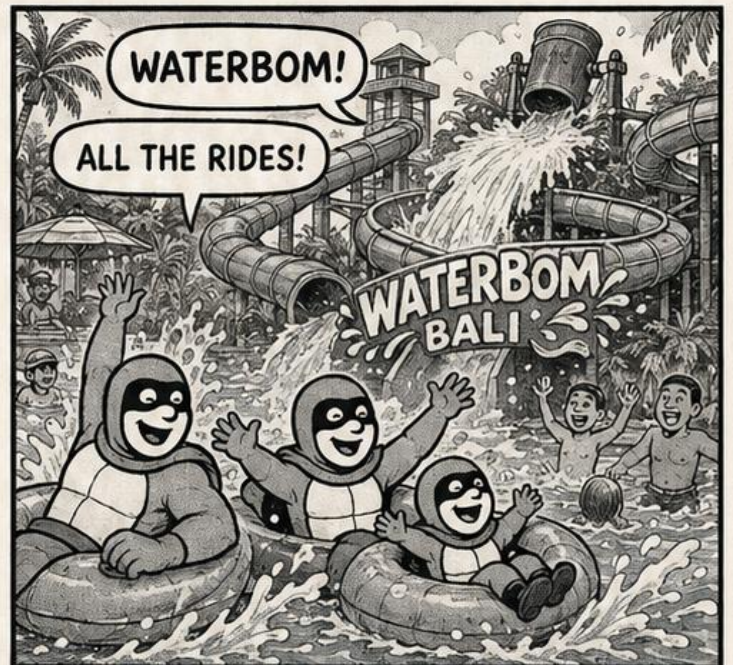

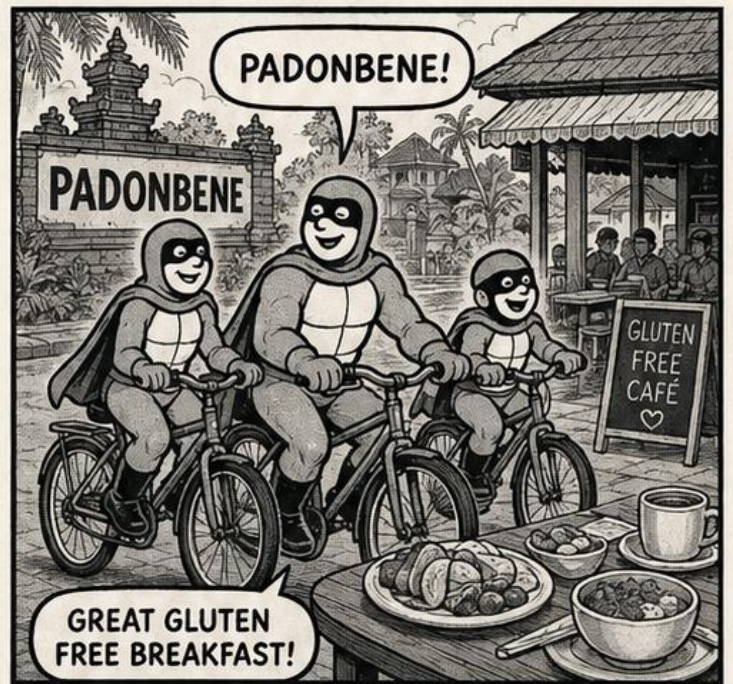

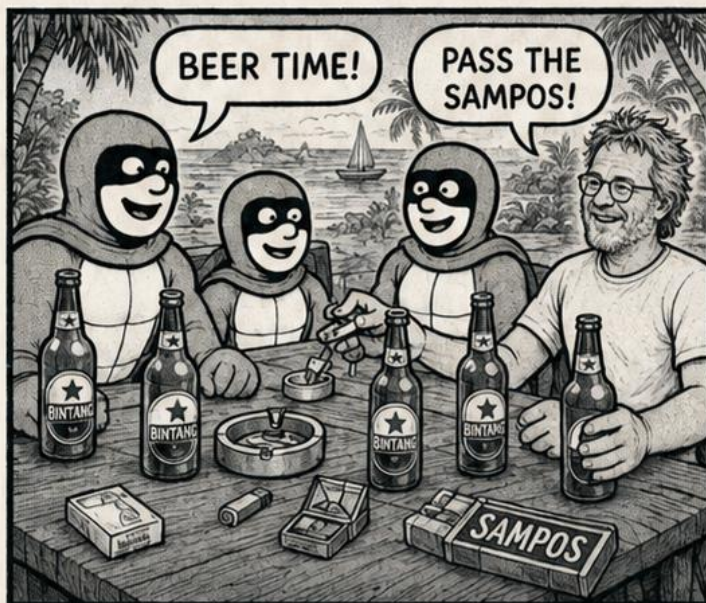

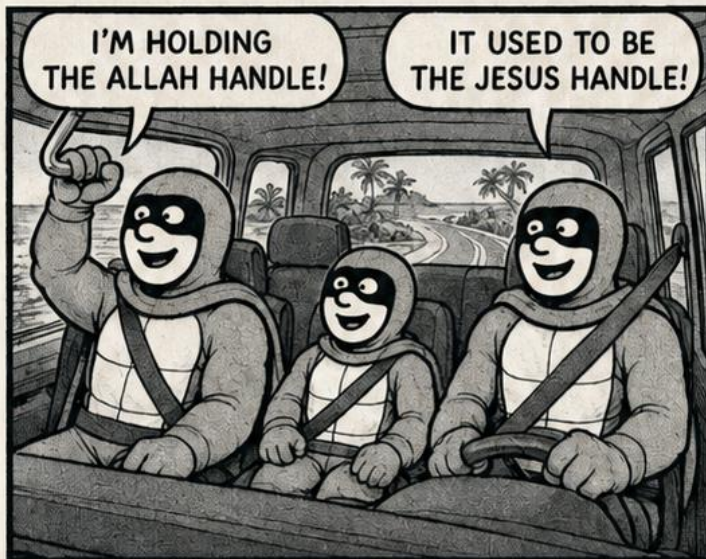

THEY FIND THAT THE CRAZY FOREIGNERS ARE IN ROOM 109 OF THE BALI GARDEN BEACH POOL ROOM HOTEL.

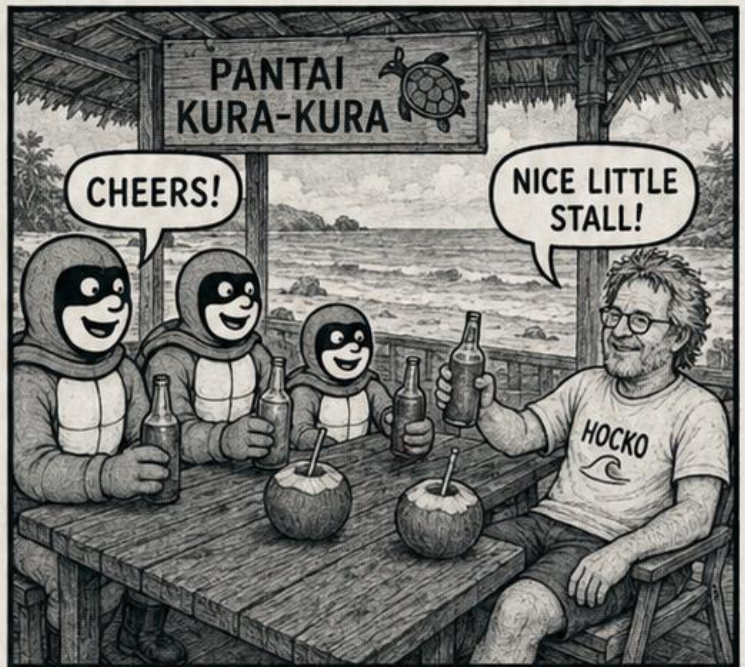

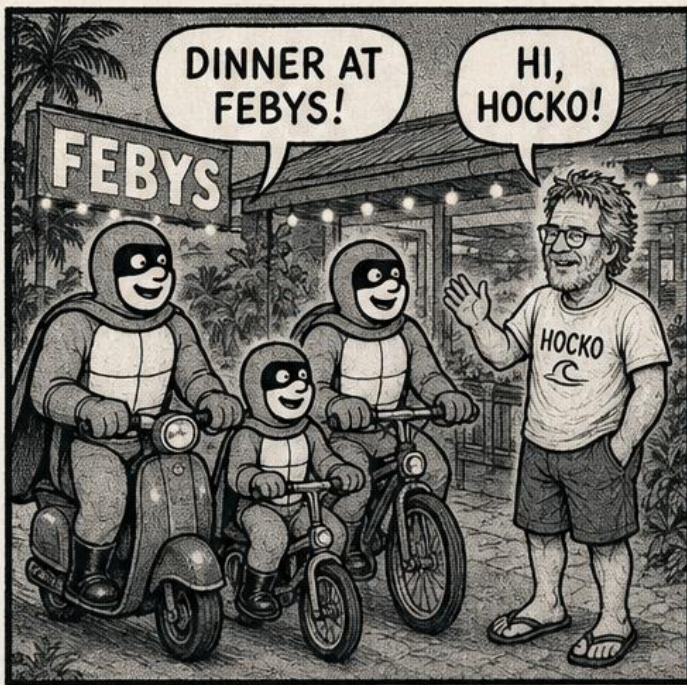

THE POLICE DRIVE OVER TO ARREST THE FOREIGNERS ONLY TO FIND THAT THEY'VE JUST LEFT.

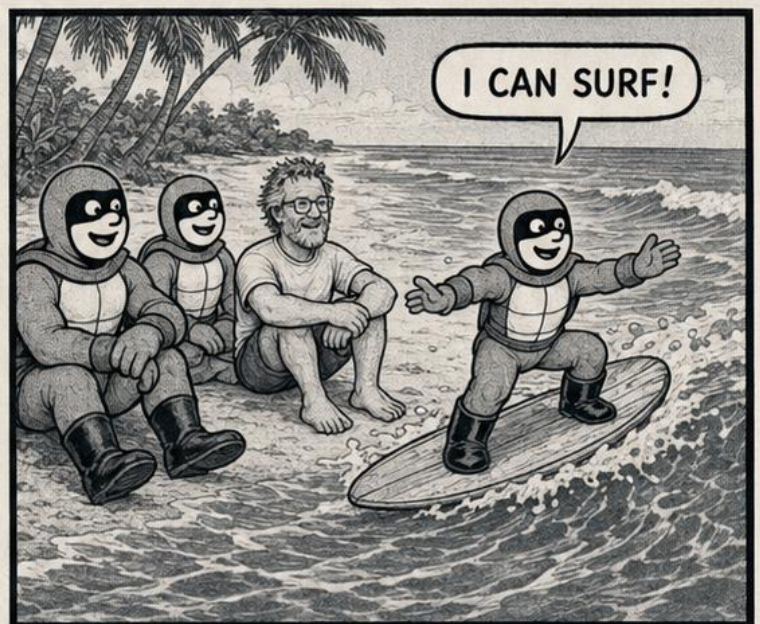

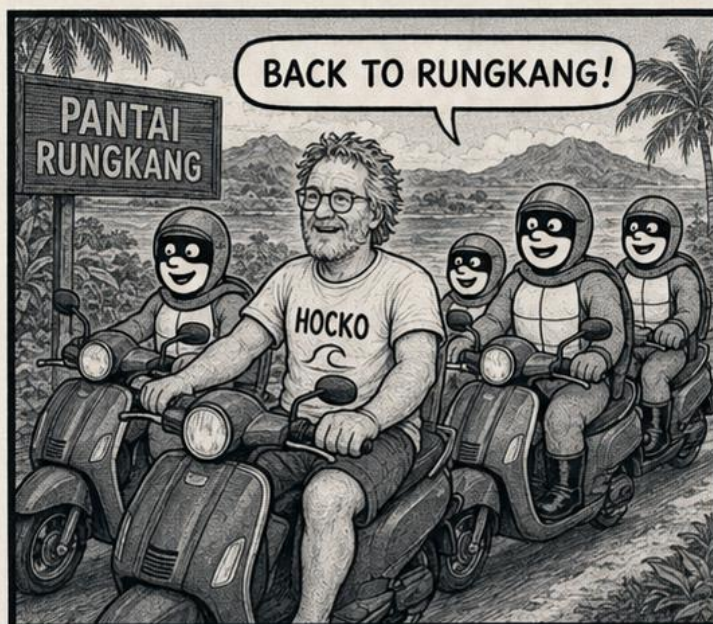

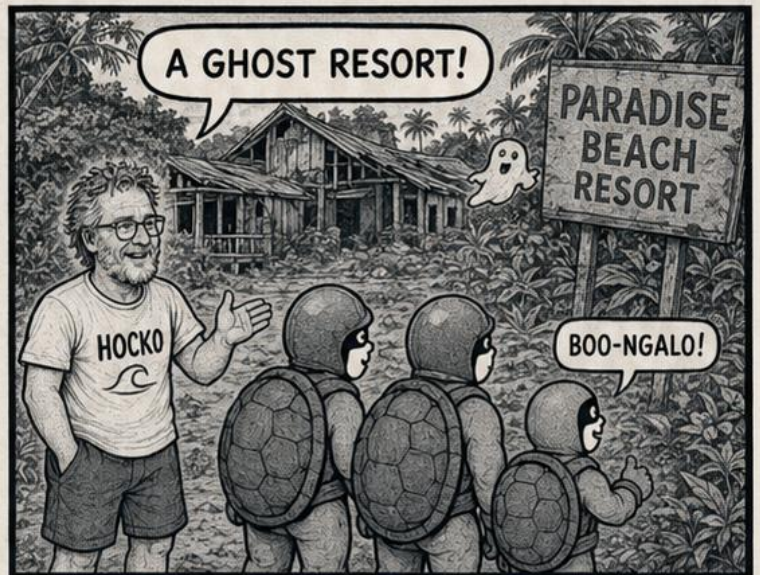

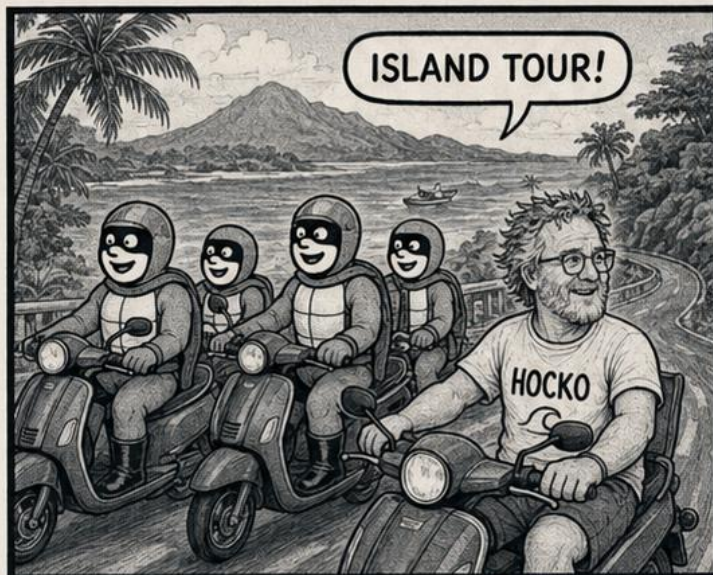

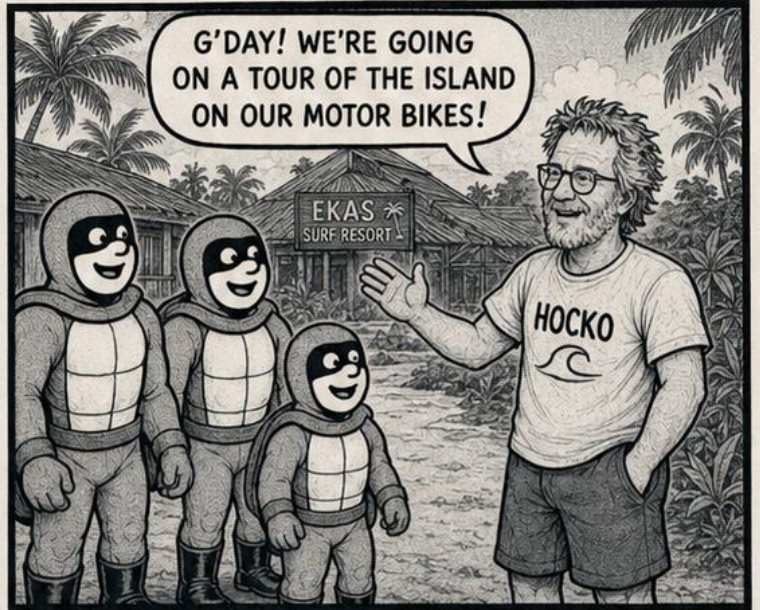

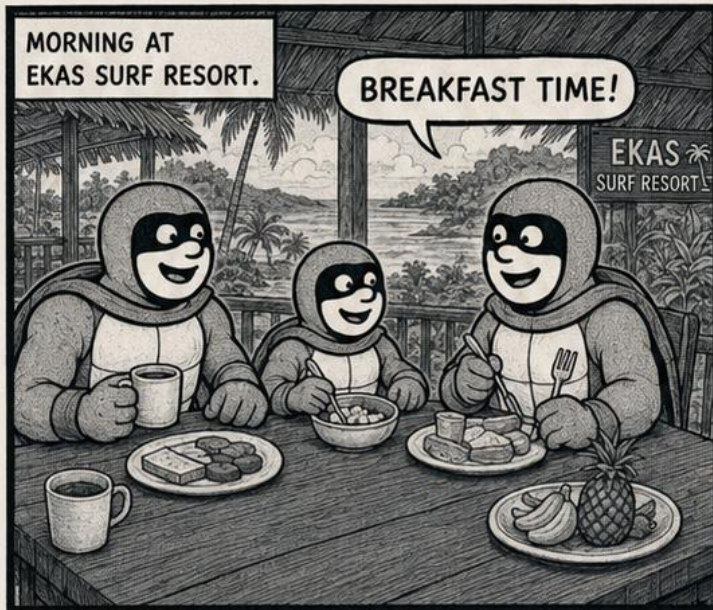

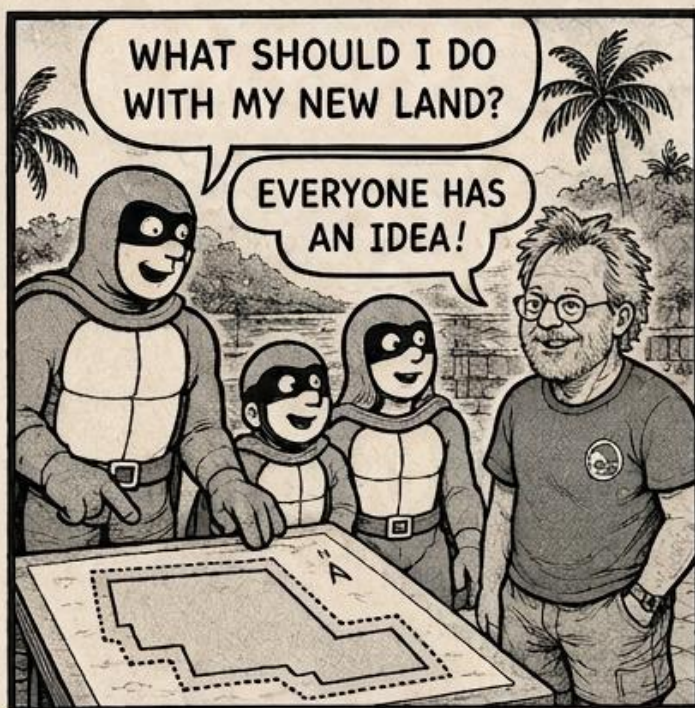

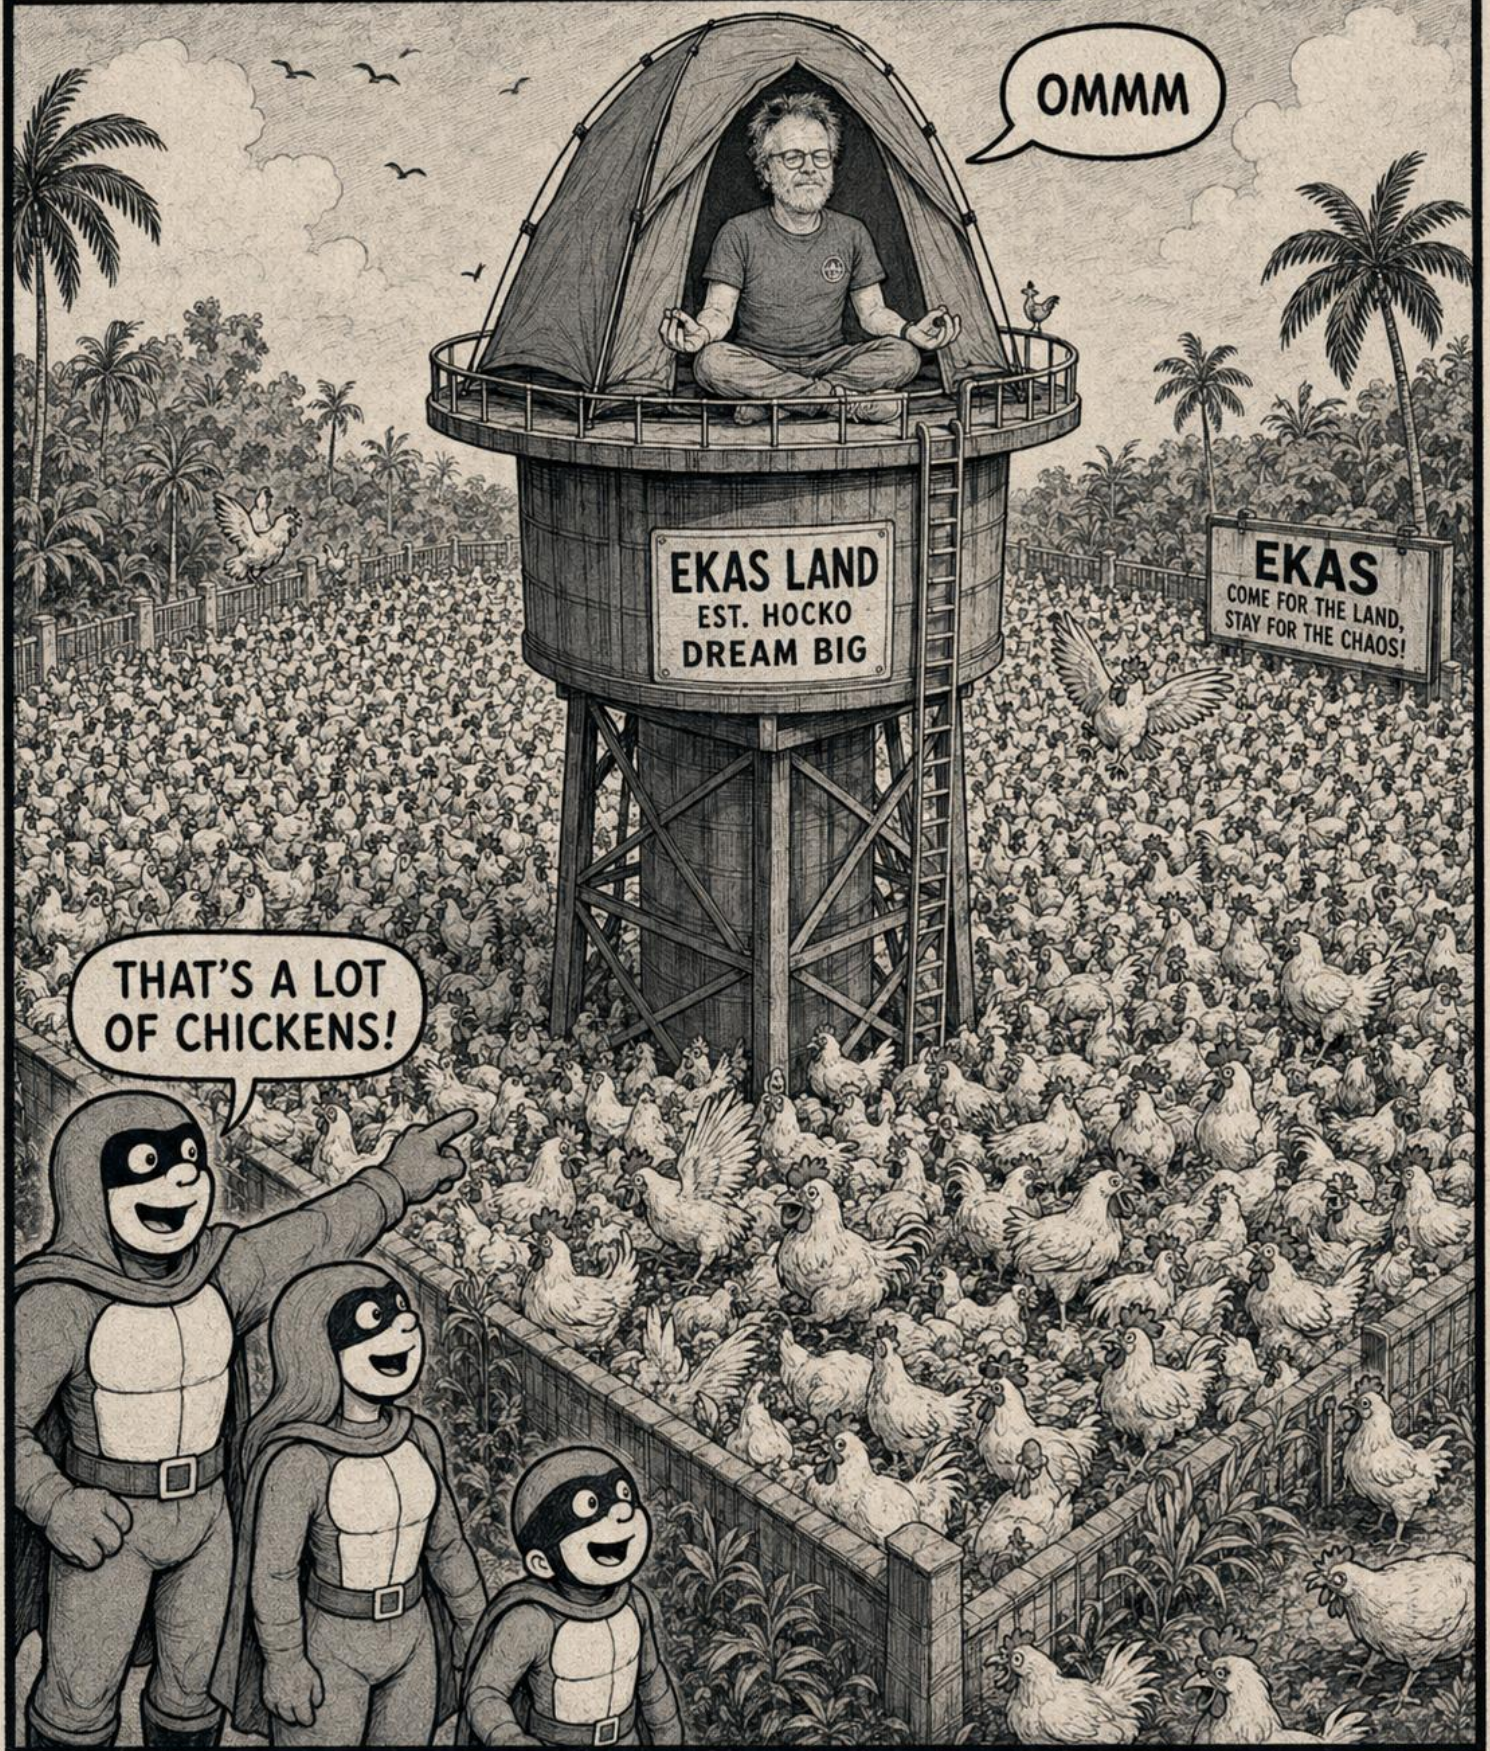

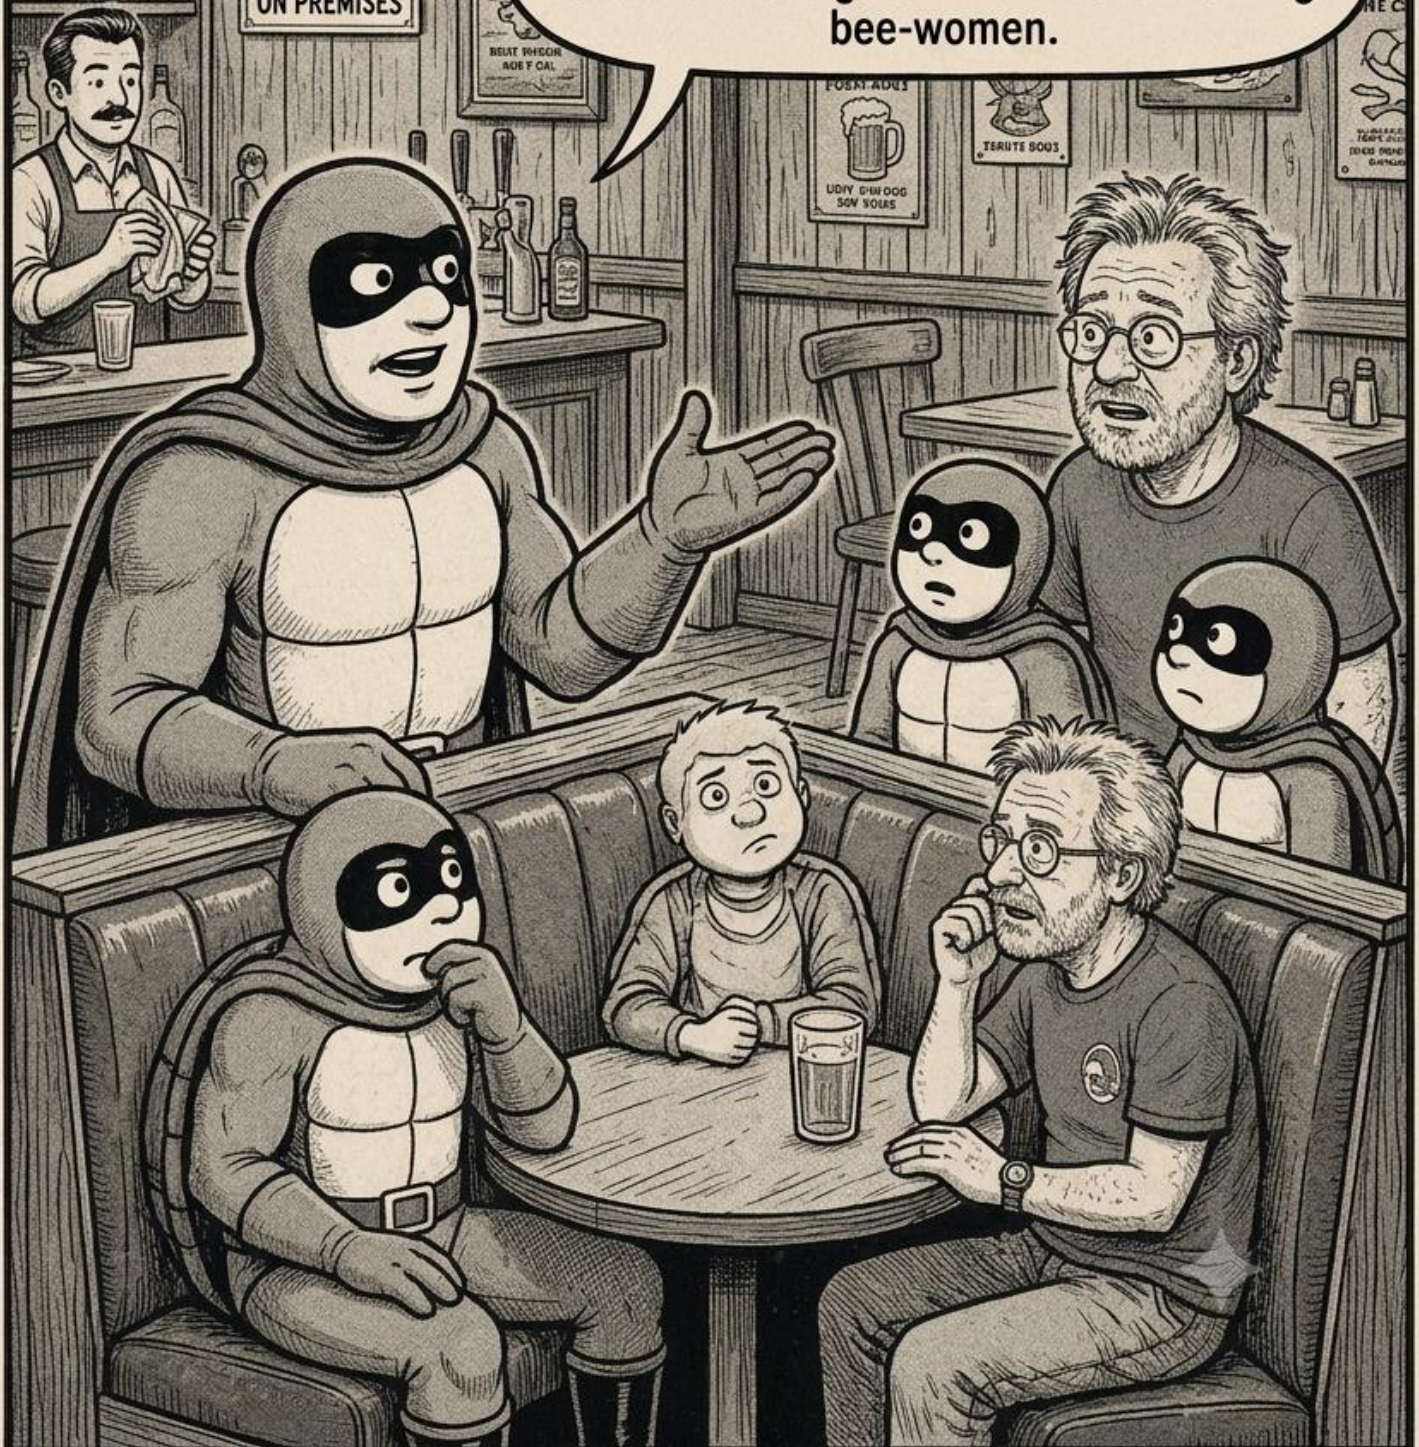

AND FINALLY, THIS IS WHAT HOCKO GOT...

AT FEBBIES BAR...

FEBBIES BAR

According to Semonides of Amorgos, a male poet working in Greece in the 7th Century BC, there are 10 kinds of women. There are women who are like pigs, because they prefer eating to cleaning; women who resemble foxes, as they are peculiarly observant; donkey-women, who are women, who are sexually promiscuous; dog-women, marked for their disobedience. There are also stormy sea-women, greedy Earth-women, thieving weasel-women, lazy horse-women, unattractive ape-women, and – the one good kind – hard-working bee-women.

I call these the 'Seven Shells of Disappointment':

1. The guy who turns up, wants to have sex all the time but has a tantrum and leaves if you won't.
2. The guy who has sex and then never follows up (left wondering how that happened - (they usually emotional connection).
3. The guy who is mean and you can't understand why you keep how that happened - (they usually follow up likey did nothing wrong).
5. The guy who is really polite and will kiss you but never actually tries to get any further.
6. The guy who will be really lovely and the sex is great then in the morning he tor keeps happening.
7. The guy who is really nice and lots of fun. Seems like the perfect guy for contact and sex but you're just not that into him.
